

SUMMER VEGETABLE DIP

- 1 small pkg. fresh radishes
- 2 tsp. dill
- 2 tsp. lemon juice
- 4 oz. cream cheese
- 4 oz. cottage cheese
- 1-2 cloves garlic

In your handy food processor, chop radishes until finely chopped. Add lemon juice and garlic cloves, continue to process. Blend in cream cheese and pulse until smooth. Add cottage cheese and dill and pulse quickly until incorporated. Always use fresh herbs when possible, the difference is very discernable.

Even my grandmother can appreciate a modern appliance like a Cuisinart or a KitchenAid mixer. In this recipe, a Cuisinart or food processor makes this wonderful, flavorful dip to use with fresh vegetables, pita chips and other favorite dippers.
